Partial Starter Generator Related Inventory 3-2012

3/29/2012 11:00 AM

We consider swaps, trades, and offer additional discounts on multiple unit purchases. Offers considered. We buy cores and excess units. Most AR Cores are not for sale, but represent inbound core units scheduled to be overhauled and returned to stock, or those currently in OHC process. Partial inventory as of 3/2012, inventory increasing monthly, check all p/n's even if not on this list. Tag details available upon request. Availability subject to prior sale and withdrawal from market. FOB: Houston, Tx. USA
Material condition and quantity available subject to verification.

Please do not list with parts locator services, we have this material listed already. Thank you.
